Sunday School Students Offering to make a BIG difference! Would you like to donate your spare change & help the New Life Sunday School students make an offering that will impact others in impoverished areas? The offering collected in Sunday School through the end of May will go to World Vision to purchase animals (chickens, goats, pig, ducks) to help families/communities in need. See the poster in the LL to let the students know how much money we have collected to date & what animal or number of animals we can purchase with our donation. Please mark your donation to "World Vision" or put your money in the container located in the church lobby. Thank you for helping our students know we can make a difference when we work towards a goal for others.

Daniel, by Kyle Martin- The book of Daniel, written during Israel's exile in Babylon, provides readers with both a historical account of national events and a prophetic account of the Messiah's coming and the events that would follow. Explore the concept of God's sovereignty in both the historical and prophetic content and investigate the numerous pictures of Jesus, our STONE found in the book of Daniel.

Bugtime Adventures: It's The Pits (Preschool Ages)- The Story of Daniel...Daniel has achieved great success in working for King Darius, and the other workers become jealous. They trick the king into making a law saying that no one can pray to any god except him. When Daniel is found praying to God, he is thrown into the lions' den where he is protected by an angel. While the bugs are in the midst of their own moral dilemma, they accidentally get rolled up in Daniel's carpet and wind up in the lions' den with him. Seeing the angel protect Daniel convinces them to do the right thing when they return home. Children ages 4-9 will enjoy these entertaining stories as they learn about standing up for what is right.
